

Subscribe to Qualityworld Magazine

Qualityworld Magazine is the leading publication in UK and globally, for those working in quality. It's a one-stop solution for keeping up to date with the latest in quality in your industry and is the only magazine in the UK to feature the current news, views and jobs in quality.

Published by the Chartered Quality Institute (CQI), the magazine reports on business improvement techniques such as ISO 9000 and six sigma, while offering in-depth coverage of contemporary business issues, making it essential reading for quality professionals who want to stay ahead of the competition.

Each issue of the monthly magazine features interviews with industry leaders, analysis of key industry topics; Questions & Answers and case studies, latest industry news and current job opportunities.
